- + Pre wedding coffee or call
- + One photographer on the day (Jess)
- + No less than 200 hi-res images
- + Professionally edited images
- + A beautifully presented gift box with USB key
- + 2x (10x8) glossy prints of your choices

The All Dayer £1,200

Your whole day is covered from start to finish including either the bride or groom getting ready, the wedding ceremony, shots inside & outside church/or after the civil ceremony with friends & family, receiving line, cake cutting, capturing the reception atmosphere, evening guests arriving and first dance.

- + A pre wedding coffee or call
- + One photographer on the day (Jess)
- + No less than 350 hi-res images
- + Professionally edited images
- + A beautifully presented gift box with USB key
- + 4x (10x8) glossy prints of your choice

Pre Wedding Shoot £200

Some pre-wedding fun in front of the lens at your venue or a location special to you. This includes a selection of images on a disk.

Second Shooter £300

All day coverage by a second photographer including unlimited images. If you would like to capture both the bride & the groom preparations, you could have the luxury of two pairs of professional eyes at your wedding.

Tailor Made

I understand that every wedding is unique which means that your wedding might not suit any of the above packages. I am very flexible, so please let me know about your big day and I will send you a proposal to fit your requirements.

Extra USB gift boxes, prints or CDs can be ordered for family at an extra cost.

Photo books are available to buy.

Your images will receive our CCF sprinkle of magic (images will be professionally edited).

Please get in touch if you would like to talk more. I look forward to hearing from you.
